

PROJECT: TYPE:

LOCATION: CAT:

Description

The Universal extrusion can be surface or recess mounted for most applications.

Features

- Extruded aluminum construction
- Can be mounted face down for use as a heat sink
- Use tape light, lens, and end caps to create a complete fixture (tape light and accessories sold separately)

Mounting

Surface or recess mount via mounting clips, construction adhesive, or 3M® double-sided adhesive tape; Requires 1/2" height/depth clearance

Applications

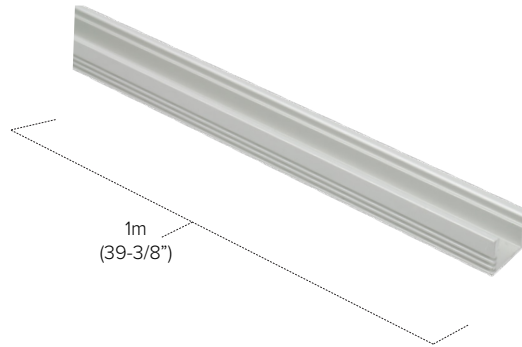

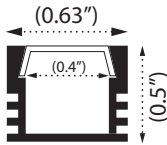

Surface or recessed application including under shelves or cabinets

Warranty

3 years
